Recruitment and Screening Services for Your Business

In this economic climate, businesses need an edge. Why spend hundreds of dollars to advertise in a newspaper, with little to show for it? Why pay to post online and get a few hundred unqualified candidates? There is a better way:

MCCDC Employment Services can provide you with several recruitment assistance options, including:

- ★ Assistance in developing job descriptions;
- ★ Posting, distribution, and advertising positions;
- ★ Customized screening tools;
- ★ Pre-screening eligible candidates;
- ★ Scheduling prequalified candidates;
- ★ On-site recruitment events at our location;
- ★ Assistance with accessing government business incentives, credits and other financial resources associated with new hires; and
- ★ The option of direct hire of candidates selected, or to try them out as temporary workers with MCCDC as the employer of record.

Recruiting can be tailored to the employer’s workforce needs and skill specifications. The result is a well prepared pool of candidates who are ready to fill your positions!
