Transitional Employment Program (TE)

Transitional Employment is Empowerment Clubhouse's structured vocational training program designed to empower Marin County residents to succeed in entry-level employment positions at local businesses.

Transitional Employment placements generally last from six to twelve months, at which time Empowerment Clubhouse will train a new and highly motivated employee to successfully transition into the placement.

Empowerment Clubhouse Benefits to Employers

We provide pre-screened employees who are eager for the opportunity to work and are fully supported by our staff.

Clubhouse staff learn the job, then select, train, and support the TE employee at the job-site and at Empowerment Clubhouse.

TE Employers experience reduced costs in benefits, recruitment, and training.

When a TE employee becomes sick or cannot make a shift, Empowerment Clubhouse promises to cover the shift at no cost to the Employer.

Empowerment Clubhouse's Director and staff will meet regularly with TE Employers to ensure effective productivity and to discuss areas of growth.

"The Empowerment Clubhouse is a program supported by the County of Marin Behavioral Health and Recovery Services (BHRS) using Mental Health Services Act (MHSA) funding."
